TERRY'S COMICS

CATALOG #25

# TERRY'S OLD SCHOOL COMICS

Welcome to Catalog number twenty-five. Thank you to everyone who ordered from one or more of our previous catalogs and especially Gold and Platinum Customers. Please be patient when you call if we are not here, we promise to get back to you as soon as possible. Our normal hours are Monday through Friday 9:00AM-5:00PM Pacific Time. You can always send e-mail requests and we will reply as soon as we are able. All comics that are stickered below \$10 have been omitted as well as paperbacks, Digests, Posters and Artwork. I also removed the mid-grade/priced issue if there were more than two copies, if you do not see a middle grade of an issue number, just ask for it. They are available on the regular website [www.terryscomics.com](http://www.terryscomics.com). If the Catalog looks a little slimmer, it is because we sold the contents of our Warehouse to another Comic Dealer in September 2021. This removed about 2/3 of the older inventory.

We have continued to acquire great vintage comics during this past year. One had quite a few pre-code horror comics, another contained runs of low-grade Golden Age comics like Pep, Captain Marvel Adventures and Superman, still another was loaded with Bound Volume scarce Golden age comics. We still managed to do a few conventions that were not canceled and did a lot of buying on these trips through many States as far east as New Hampshire. We are still seeking collections of Golden age and we are always looking for Timely/Atlas comics. I was able to purchase a nice collection of Atlas War comics last Spring as well and quite a few are in this Catalog. This catalog will be created in two versions: the paper version and an e-catalog that is downloadable from our website in PDF format. I will continue to produce a paper version of the catalog for those of you that do not have e-mail or computers. *Yes, there are still some people that do not have computers or know how to do e-mail.* Every year we produce *less* paper catalogs due to the remarkably high expense. My website currently has what is left from Catalog #24 Check it out at [www.terryscomics.com](http://www.terryscomics.com) my current e-mail address is [info@terrysterryscomics.com](mailto:info@terrysterryscomics.com)

Jason handles the majority of phone and e-mail orders as well as most E-Bay sales. He can be contacted directly at: [Jason@CalComicCon.com](mailto:Jason@CalComicCon.com) or [Jason@Terryscomics.com](mailto:Jason@Terryscomics.com) He will give you the personal service that Terry's Comics has always strived to offer. If you need to talk to Terry for a specific reason just leave a message with Jason and Terry will get back to you soon.

Pricing for the catalog was done from the 2021 Overstreet Price Guide and recent reported sales. Many Marvel prices are based on market changes that have occurred since the OPG has been out and may be higher. We also use the web-site GPA Analysis for CGC and other graded book pricing. Other prices are based on recent sales, scarcity, or desirability, which the OPG does not consider. Included in this catalog are some CGC, CBCS and PGX books that are priced higher than un-slabbbed books of equal grade to reflect the extra time and expense, as well as the risk, to have them third-party graded.

Due to rapid price increases on just about everything, we had suspended all eBay store sales since August 2021. We apologies for canceling 2021 Catalog prices last April, we were forced to do this because prices went up so fast on most Marvels and many others that we had to pay more for replacements, then what sold our books for a month earlier. This Catalog that is normally produced in January is delayed because of our move to Washington State in 2021 and We are still trying to get things set-up. While we raised many prices to reflect the current market, with just over 25,000 items remaining we did not reprice more than 5% of them. So, look for old, priced bargains.

The 2021 CalComicCon had to be postponed until 5<sup>th</sup> February 2023, it was to be held every year on the last Sunday of January, between the Playoffs and Superbowl. Since the they moved the date for Superbowl we moved our show date. We were hoping to do host a future show after covid-19 was gone, but because of Variants we also had to cancel the 2022 CalComicCon. I was told by many collectors and dealers that this was one of the best old School shows anywhere. For more info, check out my website: [www.CalComicCon.com](http://www.CalComicCon.com)

Best Regards,

Terry O'Neill – Terry's Old School Comics

PS: If you ever decide to sell all or part of your collection, please allow us to make you an offer.

# TERRY'S OLD SCHOOL COMICS: TERMS & CONDITIONS OF SALE

My philosophy about comics is this; I am first, a collector and second, a dealer. I have always tried to treat my customers the way I wanted to be treated when ordering books. I enjoy reading them, collecting them, and seeing the great artwork inside. I always try to have a large selection of books so I can offer the type of selection I would want when buying books for myself. I try to keep my prices as low as possible but to get choice material to offer in my selection, I often must pay higher percentages of or over guide for this material. *Blame your fellow collectors for these prices, not me.*

Method of payment: I accept Visa, MasterCard, American Express & Discover cards. I also accept checks or money orders and only on request, PayPal. Personal checks may hold up your order until it clears. I would rather not get cash unless you meet me locally. *Do not send cash.*

*Make checks payable to Terry's Comics as in the past.*

Guarantee: As I stated above, I am a collector first, so I know what I want, and offer the same. *You can return any books you buy from me within 30 days in same condition as sent for a full refund.*

Discounts: Sorry but automatic discounts will be cancelled until further notice. Exceptions are as follows: Gold Customers (who ordered from last five catalogs, if you are not sure, ask when you place your order) take 5% off non-key Marvel and DC Silver to modern. Platinum Customers (who ordered from the last ten catalogs and placed four or more orders over \$200 in each catalog) can take an additional 5% off certain items except some keys and other unique comics. *Max 10% discount offered on any item in Catalog. No discounts on FN or above books pre-dating 1975.* Dealer discounts may be available.

Buy back policy: as many of you know I will always buy back books that I have sold you in the exact same condition for 75% of what I charged you (or more) for a book. This is in the hopes that when you go to sell off your collection you will offer it to me. This only applies to pre 1975 material and Marvel keys! If ever you are thinking of selling, I hope you will give me an opportunity to make you an offer.

Layaway plan: I do offer a layaway plan in some instances. Call me and ask if we can work out a deal on some high value comics. *All layaways will not be subject to discounts!*

Trades: I will accept some trades. I usually give 10-20% higher trade value than I would pay cash for the same trade material *provided that the trade is for comics I need or want.* Keep in mind this is my source of income and that I cannot pay my bills with trade.

Grading: I use the old CBG grading guide which tended to be a little stricter than the Overstreet guide. Even so, grading is subjective, and I am only human, so if I miss something, do not take it personally, I will make every effort to correct the situation to your satisfaction. When you order a book, you will see notes on the issue you are interested in, to put as many items as possible, some of the descriptive notes may not be listed, please ask for a description when ordering. Keep in mind the grades assume many common defects.

Pricing: Comic prices have been going up a lot in the past year, we were forced to cancel 2021 prices back last March and reprice most Marvel and many other comics. That said, we still reserve the right to reprice items that go quickly, we will not do so unless we let you know.

Postage & handling: When I ship books, I use a thick piece of cardboard so that even if the postman tried to ignore the "do not bend" he would have a hard time doing so. All orders are shipped priority mail and all domestic orders are insured. All this for still only \$13.00! Most foreign and large quantity orders (over 5 books) will have to pay a higher rate depending on my cost. *Note: for some low dollar orders I will reduce the cost to you for S&H. CGC comics will be charged \$15.00 for shipping due to larger size box.*

Regarding Customs: If you are ordering from a country that requires you to pay customs duty, then it is your responsibility to do so. It will be shipped any way you want; normally it will be fully insured and have the invoice included, this is to fully protect you and us. If you want to get out of paying customs duty, by declaring your order as zero or some low value, then you have no recourse if your books do not show up. *I will not refund your money!*
