TERRY'S COMICS

Welcome to Catalog number twenty-four. Thank you to everyone who ordered from one or more of our previous catalogs and especially Gold and Platinum customers. Please be patient when you call if we are not here, we promise to get back to you as soon as possible. Our normal hours are Monday through Friday 9:00AM-5:00PM Pacific Time. You can always send e-mail requests and we will reply as soon as we are able. All comics that are stickered below \$10 have been omitted as well as paperbacks, Digests, Posters and Artwork and Magazines. I also removed the mid-grade/priced issue if there were more than two copies, if you do not see a middle grade of an issue number, just ask for it. They are available on the regular website www.terryscomics.com. If you are looking for non-key comics from the 1980's to present, please send us your want list as we have most every issue from the past 35 years in our warehouse.

We have been fortunate to still have acquired some amazing comics during this past challenging year. What is left from the British Collection of Pre-code Horror/Sci-Fi selection, has been regraded and repriced according to the current market. 2021 started off great with last year's catalog and the 1st four Comic book conventions. Unfortunately, after mid-March all the conventions have been cancelled. We still managed to do a couple of mini conventions between lockdowns and did a lot of buying on a trip through several states as far east as Ohio. We are still seeking collections of mid to lower grade Golden age and we are always looking for Timely/Atlas comics. This catalog will be created in two versions: the paper version and an e-catalog that is downloadable from our website in PDF format. I will continue to produce a paper version of the catalog for those of you that do not have e-mail or computers. *Yes, there are still some people that do not have computers or know how to do e-mail.* Every year we produce *less* paper catalogs due to the remarkably high expense. My website currently has what is left from Catalog #23 Check it out at www.terryscomics.com my current e-mail address is info@terryscomics.com

Jason handles the majority of phone and e-mail orders as well as most E-Bay sales. He can be contacted directly at: Jason@CalComicCon.com He will give you the personal service that Terry's Comics has always strived to offer. If you need to talk to Terry for a specific reason just leave a message with Jason and Terry will get back to you soon.

Pricing for the catalog was done primarily from the 2020 Overstreet Price Guide, which is consistent at reflecting market prices on most vintage material. Some prices are based on market changes that have occurred since the OPG has been out and may be higher. We also use the web-site GPA Analysis for CGC and other graded book pricing. Other prices are based on recent sales, scarcity, or desirability, which the OPG does not consider. Included in this catalog are some CGC, CBCS and PGX books that are priced higher than un-slabbed books of equal grade to reflect the extra time and expense, as well as the risk, to have them third-party graded.

Due to the loss of most of our convention presence in 2020 we have been listing many non-3rd party graded comics in our two eBay stores, <https://www.ebay.com/str/terryscomics> Terrys Comics store, and OACI_Nationwide store <https://www.ebay.com/str/oacinationwide> originally used for my Corporation. Keep in mind any existing customer can order any eBay listed comic directly and get the fees applied in a discount.

Sadly, after a fourteen-year run, the 2021 CalComicCon had to be postponed until 30 January 2022, it was to be held every year on the last Sunday of January, between the Playoffs and Superbowl. There always were some great CGC slabbed comics and fantastic artwork in the raffle, there we offered the latest acquisitions of silver and older comics we processed from 2019 for the first time at a comic show. There were also many dealers not usually exhibiting in this Orange County. We had over 60 exhibitors selling Comic Art and comic books, with an emphasis on vintage material. We also had CGC, Heritage Auctions and great comic industry Guests. We hope to have future shows after covid-19 is gone, it was said that this was one of the best old school shows anywhere. For more info, check out my website: www.CalComicCon.com

Best Regards,

Terry O'Neill – Terry's Comics

PS: If you ever decide to sell all or part of your collection, please allow us to make you an offer.

TERRY'S COMICS: TERMS & CONDITIONS OF SALE

My philosophy about comics is this; I am first, a collector and second, a dealer. I have always tried to treat my customers the way I wanted to be treated when ordering books. I enjoy reading them, collecting them, and seeing the great artwork inside. I always try to have a large selection of books so I can offer the type of selection I would want when buying books for myself. I try to keep my prices as low as possible but to get choice material to offer in my selection, I often must pay higher percentages of or over guide for this material. *Blame your fellow collectors for these prices, not me.*

Method of payment: I accept Visa, MasterCard, American Express & Discover cards. I also accept checks or money orders and only on request, PayPal. Personal checks may hold up your order until it clears. I would rather not get cash unless you meet me locally. *Do not send cash.*

Guarantee: As I stated above, I am a collector first, so I know what I want, and offer the same. *You can return any books you buy from me within 30 days in same condition as sent for a full refund.*

Discounts: All customers take 10% off orders over \$300. Exceptions are as follows: books already over \$300 will not count unless you also order an additional \$300 worth of books. Gold customers (who ordered from last five catalogs, if you are not sure, ask when you place your order) take an additional 5% off everything and 10% off non-key Marvel and DC Silver to modern. Platinum Customers (who ordered from the last ten catalogs and placed four or more orders over \$200 in each catalog) take an additional 5% more off all items except some keys and other unique comics. *Max 10% discount offered on British Collection Pre-code horror.* No discounts on FN or above books pre-dating 1965. Dealer discounts available.

Buy back policy: as many of you know I will always buy back books that I have sold you in the exact same condition for 65% of what I charged you (or more) for a book. This is in the hopes that when you go to sell off your collection you will offer it to me. This only applies to pre 1965 material and Marvel keys! If ever you are thinking of selling, I hope you will give me an opportunity to make you an offer.

Layaway plan: I do offer a layaway plan in some instances. Call me and ask if we can work out a deal on some high value comics. *All layaway will not be subject to discounts!*

Trades: I will accept some trades. I usually give 10-20% higher trade value than I would pay cash for the same trade material *provided that the trade is for comics I need or want.* Keep in mind this is my source of income and that I cannot pay my bills with trade.

Grading: I use the old CBG grading guide which tended to be a little stricter than the Overstreet guide. Even so, grading is subjective, and I am only human, so if I miss something, do not take it personally, I will make every effort to correct the situation to your satisfaction. When you order a book, you will see notes on the issue you are interested in, to put as many items as possible, some of the descriptive notes may not be listed, please ask for a description when ordering. Keep in mind the grades assume many common defects.

Pricing: Some books are listed with the same grade but more than one price; this is because we do not raise our prices every year. The lower priced item was marked at the guide price a while ago, when it sells, that price is no longer available. Do not try to get the newer priced book for the old price, as we paid more for it.

Postage & handling: When I ship books, I use a thick piece of cardboard so that even if the postman tried to ignore the "do not bend" he would have a hard time doing so. All orders are shipped priority mail and all domestic orders are insured. All this for still only \$10.00! Most foreign and large quantity orders (over 5 books) will have to pay a higher rate depending on my cost. *Note: for some low dollar orders I will reduce the cost to you for S&H. CGC comics will be charged \$13.00 for shipping due to larger size box.*

Regarding Customs: If you are ordering from a country that requires you to pay customs duty, then it is your responsibility to do so. It will be shipped any way you want; normally it will be fully insured and have the invoice included, this is to fully protect you and us. If you want to get out of paying customs duty, by declaring your order as zero or some low value, then you have no recourse if your books do not show up. *I will not refund your money!*

BUYING! BUYING! BUYING! Thinking of selling off part or all your collection? We have been paying premium prices for books & collections for many years now. Some people think that because we offer discounts, then we might pay low. This is not true, because we work on high turn over and a low profit margin. We have spent over \$300,000 on new stock last year alone. We want your collections so make sure to let us bid. Selling call 1-714-288-8993.

CONSIGNMENTS: If you have one or more high value comics that you were thinking of sending to the many auction houses, why not let Terry's Comics try to get you maximum value by offering it to one of our many want list customers. We take small commission, and our customers will pay us the maximum they are willing to pay for a comic to assure future offerings.
