

TERRY'S COMICS

Welcome to Catalog number twenty-four. Thank you to everyone who ordered from one or more of our previous catalogs and especially Gold and Platinum customers. Please be patient when you call if we are not here, we promise to get back to you as soon as possible. Our normal hours are Monday through Friday 9:00AM-5:00PM Pacific Time. You can always send e-mail requests and we will reply as soon as we are able. All comics that are stickered below \$10 have been omitted as well as paperbacks, Digests, Posters and Artwork and Magazines. I also removed the mid-grade/priced issue if there were more than two copies, if you do not see a middle grade of an issue number, just ask for it. They are available on the regular website www.terryscomics.com. If you are looking for non-key comics from the 1980's to present, please send us your want list as we have most every issue from the past 35 years in our warehouse.

We have been fortunate to still have acquired some amazing comics during this past challenging year. What is left from the British Collection of Pre-code Horror/Sci-Fi selection, has been regraded and repriced according to the current market. 2021 started off great with last year's catalog and the 1st four Comic book conventions. Unfortunately, after mid-March all the conventions have been cancelled. We still managed to do a couple of mini conventions between lockdowns and did a lot of buying on a trip through several states as far east as Ohio. We are still seeking collections of mid to lower grade Golden age and we are always looking for Timely/Atlas comics. This catalog will be created in two versions: the paper version and an e-catalog that is downloadable from our website in PDF format. I will continue to produce a paper version of the catalog for those of you that do not have e-mail or computers. *Yes, there are still some people that do not have computers or know how to do e-mail.* Every year we produce *less* paper catalogs due to the remarkably high expense. My website currently has what is left from Catalog #23 Check it out at www.terryscomics.com my current e-mail address is info@terrysterryscomics.com

Jason handles the majority of phone and e-mail orders as well as most E-Bay sales. He can be contacted directly at: Jason@CalComicCon.com He will give you the personal service that Terry's Comics has always strived to offer. If you need to talk to Terry for a specific reason just leave a message with Jason and Terry will get back to you soon.

Pricing for the catalog was done primarily from the 2020 Overstreet Price Guide, which is consistent at reflecting market prices on most vintage material. Some prices are based on market changes that have occurred since the OPG has been out and may be higher. We also use the web-site GPA Analysis for CGC and other graded book pricing. Other prices are based on recent sales, scarcity, or desirability, which the OPG does not consider. Included in this catalog are some CGC, CBCS and PGX books that are priced higher than un-slabbed books of equal grade to reflect the extra time and expense, as well as the risk, to have them third-party graded.

Due to the loss of most of our convention presence in 2020 we have been listing many non-3rd party graded comics in our two eBay stores, <https://www.ebay.com/str/terrysterryscomics> Terrys Comics store, and OACI_Nationwide store <https://www.ebay.com/str/oacinationwide> originally used for my Corporation. Keep in mind any existing customer can order any eBay listed comic directly and get the fees applied in a discount.

Sadly, after a fourteen-year run, the 2021 CalComicCon had to be postponed until 30 January 2022, it was to be held every year on the last Sunday of January, between the Playoffs and Superbowl. There always were some great CGC slabbed comics and fantastic artwork in the raffle, there we offered the latest acquisitions of silver and older comics we processed from 2019 for the first time at a comic show. There were also many dealers not usually exhibiting in this Orange County. We had over 60 exhibitors selling Comic Art and comic books, with an emphasis on vintage material. We also had CGC, Heritage Auctions and great comic industry Guests. We hope to have future shows after covid-19 is gone, it was said that this was one of the best old school shows anywhere.
